NORWEGIAN
CRUISE LINE®

experience **MORE AT SEA™**

Norwegian Cruise Line, an American cruise line, was founded in Norway in 1966. As the innovator in the cruise line industry, it has been breaking boundaries for 59 years.

Most notably, the cruise line revolutionized the industry by offering guests the opportunity to design their ideal vacation on their preferred schedule with no assigned dining and entertainment times and no formal dress codes.

Norwegian offers a wide range of contemporary and comfortable accommodations from Inside, Studio, Oceanview or Balcony Staterooms to Club Balcony Suites and connecting Family Staterooms.

Hidden away at the top of many of their ships is The Haven by Norwegian, an exclusive enclave with their most luxurious, well-appointed and spacious accommodations. Enjoy the personal service of a concierge, 24-hour butler and have access to all the ship has to offer. You have the option of an exclusive array of dishes in The Haven Restaurant or have your butler serve your meal in the privacy of your suite.

The Haven is available on various Norwegian Cruise Line ships, including Norwegian Escape, Norwegian Getaway, Norwegian Breakaway, Norwegian Epic, Norwegian Joy, Norwegian Encore, and Norwegian Aqua.

The Haven offers panoramic ocean views from its spacious balcony and is a ship-within-a-ship, a dedicated area for all suites filled with exclusive facilities behind card-controlled doors. The ships are designed for both family vacations and romantic getaways, providing a range of activities and dining options to suit all preferences.

Delight in culinary sophistication at their complimentary main dining rooms, where you can enjoy delicious and inventive three-course meals every day. Or make it a celebratory night at one of their globally inspired specialty restaurants. Norwegian has a wide selection of unique bars and lounges where you can enjoy a pre- or post-meal cocktail.

When it comes to great entertainment, Norwegian offers more than you can imagine – from award-winning musicals and original productions to multiple live music venues. Catch a headliner at their comedy club. Enjoy their award-winning casino. Participate in their onboard game shows, The Price is Right and Wheel of Fortune or dance the night away at a nightclub. Norwegian

leads the way in entertainment, day and night.

Enjoy first-of-its kind experiences, exhilarating rides, exciting waterslides and so much more or wind down at the Mandara Spa and Thermal Suite. There are endless onboard activities, full family programming and a complimentary youth club for all ages, making it a perfect family getaway.

Sail across oceans, hop around islands and enjoy your vacation your way. Norwegian Cruise Line invites guests to experience a **MORE at sea** package by providing them with more to see, more to do, more to enjoy, and more value on their vacation.

The Travel Advisors at Warwick Travel can assist you with your dream destination along with all the benefits of booking a Norwegian cruise.

After many years, I finally agreed with Mary to travel to South Africa for a Safari. The condition was that we use our favorite Tour Company, Tauck, based on many trips with them over the last fifteen years. It was absolutely AMAZING. The hotels, game reserves and travel coordination were all beautifully done by our Tour Director, Deanne. We saw all the Big Five while on Safari, along with many more beautiful animals. Plus, Victoria Falls in Zimbabwe!!!! Many thanks to Linda for the detailed planning and trip guidance.

Marion at Warwick Travel helped me pull off a surprise birthday trip to Grace Bay, Turks and Caicos, for my husband's milestone birthday! As full-time working parents with two young children, the relief of having Marion handle the details was invaluable, allowing us to completely unwind and celebrate in paradise. The process was made effortless thanks to Marion's exceptional responsiveness, and we are excited to plan our next escape with Warwick Travel!

Eastern & Oriental Express: The moving majesty of Southeast Asia

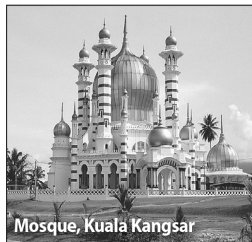

By Nancy B. Alligood, CTC, Warwick Travel Service

WIKIMEDIA COMMONS

STOCK.ADOBE.COM

BANJA-FRANS MULDER, WIKIMEDIA COMMONS

Step aboard the Eastern & Oriental Express (E&O) luxury train where grand history, inspiring opulence and a sense of adventure are intertwined as you ride through Southeast Asia, exploring Singapore, Malaysia and Thailand.

Enter a world of classic glamour as you travel among ancient wonders and cosmopolitan cities. Handsome green and gold carriages conceal magnificent cherrywood paneling, Thai silks and Malaysian embroidery, combining adventure with total relaxation.

The E&O has eight luxurious sleeping cars where you will enjoy breakfast served in your room or taken in the observation car. Afternoon tea with cakes is served in your room.

Two dining cars are hooked to the train for every journey. The restaurant cars have two sittings for lunch (12 noon or 2 p.m.) and two sittings for dinner (6 p.m. or 9 p.m.). Passengers may choose which restaurant car and sitting suits them best.

Tea, coffee and water are included in the price, with alcoholic drinks an additional charge. All prices aboard the train are in U.S. dollars. If you pay in other major currencies, your change will be given in U.S. dollars.

A piano bar is available and guests can get a drink from early morning to late at night. Entertainment, such as traditional Thai and Malaysian dancing, is provided nightly, and when dancing ends, the pianist continues to entertain. The bar car is the train's social hub, with most passengers mingling with fellow train passengers after dinner.

One car has a small library with comfortable seating, including tables where passengers travelling in groups can spend private time together.

The Observation Car is an open-sided car for passengers to enjoy unobstructed views of the scenery and experience the sounds and smells of the often jungle-like environments through which the train passes.

Enjoy a four-day, three-night train journey traveling through Singapore, Malaysia and Thailand. Leaving Singapore, an island country, you will travel through Langkawi and Penang, Malaysia, with a perfect blend of relaxation on board and inspiring exploration off the train, always with an atmosphere of celebration.

Your train journey continues through Malaysia, where you will delight in the vistas as you pass the rice paddies and timeless rural villages of western Malaysia. Visit Kuala Lumpur, Malaysia's capital city, where you will take a boat trip to Langkawi, renowned for its vibrant underwater life, from parrot fish and angel fish to moray eels and grouper.

On to Kuala Kangsar in Malaysia to tour the grand Mosque, Royal Museum and Sultan Shah Gallery.

In Thailand, you will visit the town of Kanchanaburi known for the Death Railway, built in WWII. The line crosses the River Khwae Yai via the Death Railway Bridge. The World War II Museum and Art Gallery is a must-see, as well as the Thailand-Burma Railway Centre to explore the wider history of the railway, and JEATH War Museum

honors the prisoners of war who died building the bridge.

Your last stop is Bangkok, where you disembark for your journey home or choose to spend additional time. Bangkok is intense with crowds swarming temples. Street food sizzles into the early hours. And the nightlife — from the Patpong entertainment district to ritzy rooftop bars — is nonstop. Marvel at Wat Pho's enormous gold

Buddha and Wat Arun's epic view, or spend a Saturday souvenir-hunting at Chatuchak Weekend Market. It is a bustling city, so if you need to recharge, book a traditional Thai massage or relax in Lumpini Park, one of the city's only green spaces.

The Eastern & Oriental Express has been narrating adventures since its inaugural journey from Bangkok to Singapore in 1993. The sister of the celebrated Venice Simplon-Orient Express takes you on a grand journey in Southeast Asia to capture the heart of Malaysia.

You will enrich your rail adventure with a selection of off-board excursions and activities to create everlasting memories throughout your journey. Contact your favorite travel advisor for rates and date to book this luxury train adventure. ◀
